

INSTRUCTIONS 1: HOW TO CREATE A PASSWORD & LOG IN TO THE CONFERENCE PLATFORM

STEP 1. Go to <https://apps.uab.cat/apwd/email>, enter your email address and click on “Send”.

The screenshot shows the 'ASSIGN PASSWORD' form on the UAB website. The form is titled 'ASSIGN PASSWORD' and includes the instruction 'Assign a password through your personal email.' There is an 'Email' input field, a reCAPTCHA widget with the text 'I'm not a robot', and a 'SEND' button. To the right of the form, there is a 'Further information' section with text: 'If you have provided the UAB with your personal email address, you can use this to create your NIU-associated password'. Below that, there is a section titled 'With a UAB card' with text: 'Alternatively, you can assign a new password with your UAB card. [Assign with card](#)'. The top of the page features the UAB logo and the text 'Services and administrative procedures online', along with navigation links for 'Students', 'PDI', and 'PAS'.

STEP 2. You will receive an automatic email (it may be in Catalan or Spanish). Click on the link to generate a password. You need to enter your password (“Paraula de pas”) and repeat it again (“Verificació de la paraula de pas”) and click on “Acceptar”. It may take a while until it is active.

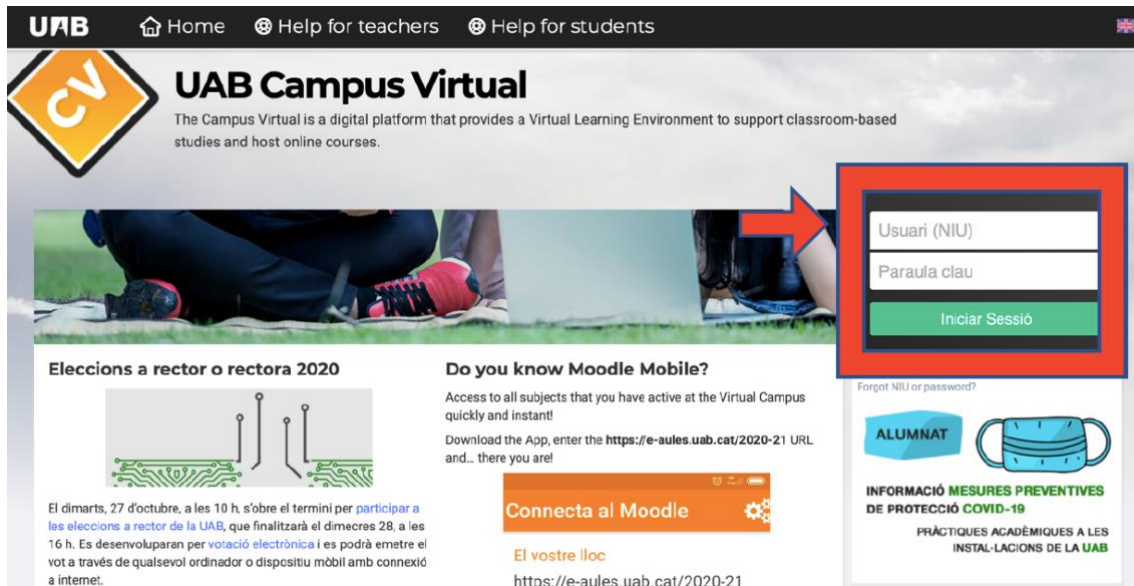

The screenshot shows the password change form. The title is 'Canvi de la paraula de pas'. Below the title, it says 'El seu NIU és: 1614762'. There are two input fields: one for 'Paraula de pas' and one for 'Verificació de la paraula de pas'. A 'Netejar' button is located to the right of the input fields. At the bottom right, there is an 'Acceptar' button.

i Recordi:

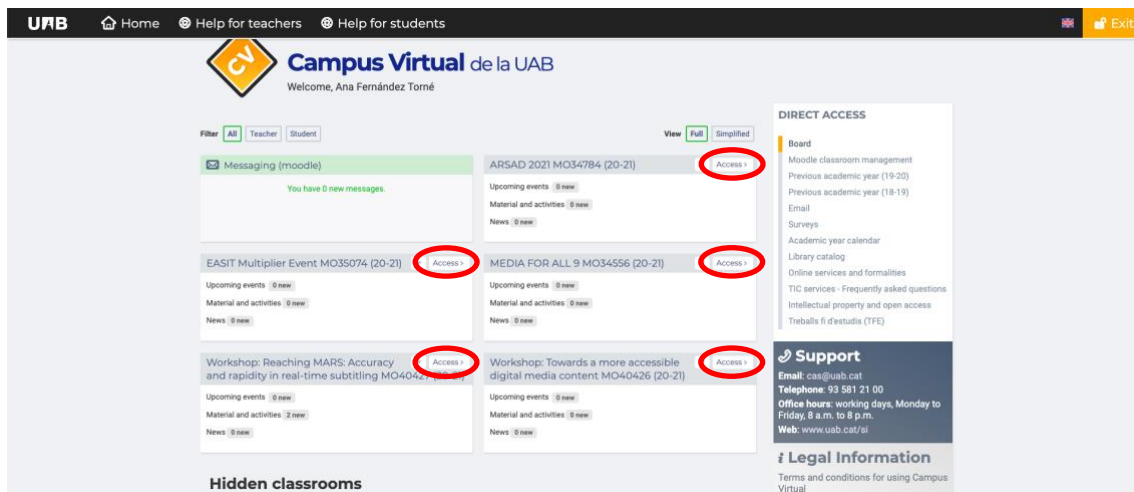

La generació de la paraula de pas pot trigar una estona en funció dels serveis que tingui actius
Si us plau no cancel·leu la operació quan s'hagi iniciat

STEP 3. Access the platform here: <https://cv.uab.cat/portada/en/index.html>. Add your user number (NIU) and password (“paraula clau”) and click on the green button (“Iniciar Sessió”). We included your NIU user number on the email where these instructions were attached. On top you will always see a flag where you can change the language of the interface.

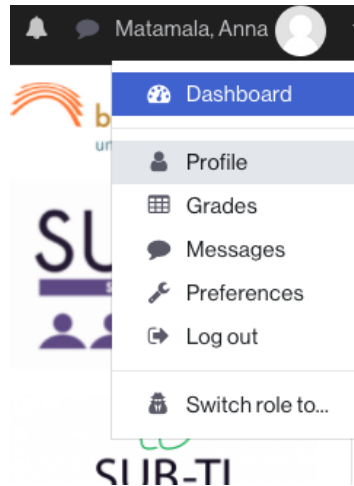

STEP 4. Select the event you want to access by clicking on ACCESS, at the top right corner of the corresponding box. You will only see the events to which you registered.

You are now logged in. You cannot see all the content yet, because the content will be made available according to the programme schedule and until February 5th.

STEP 5. YOUR PROFILE

You can update or delete your contact details, by going to the top right corner, where your name is written. Click on the arrow and a drop-down menu will appear. Click on “Profile”.

Click on “Edit profile” and you can update your details. Please notice that you can make your email visible to course members only, to everyone, or you can hide it from non-privileged users (privileged users, such as teachers or managers, will always be able to see your email address).
